Applicants for admission are required to pass a satisfactory examination in reading, writing, spelling, and the fundamental principles of arithmetic, grammar, and geography.

The Course of Study occupies three years.

Students who complete the Course of Study honorably, receive a certificate of graduation.

Board in private families, including room, fuel, lights, and washing, is from three to four dollars per week.

All College bills *must* be paid invariably in *advance*, or an obligation with satisfactory security must be given for their payment.

Students who board in Commons are required to pay one half of their board at the beginning, and the remainder at the middle of the session. Parents can, therefore, readily estimate the general expenses of their sons here; and it is particularly requested that they would not furnish them with money beyond what is necessary for their ordinary expenses. Those who are furnished with much spending money accomplish but little in their studies, and are liable to form habits which will require their removal from the school.

DISCIPLINE.

Every student is required to be in his place at all stated exercises, from the beginning to the close of the session.

All unexcused delinquencies are registered; and when the number amounts to five, or any number more than five and less than ten, notice thereof is given to the student and to his parent or guardian.

When the number of unexcused delinquencies amounts to *ten*, the student ceases to be a member of the College.

Students are also dismissed whenever, in the opinion of the Faculty, they are pursuing a course of conduct detrimental to themselves and to the College.

Students are not allowed to absent themselves from the College without permission from the Faculty.

Prayers are attended in the College chapel every morning, with the reading of the Scriptures, and all the students are required to be present.
